

Ballet Renaissance

The Nutcracker

A Letter to Our Esteemed Community Supporters

Ballet Renaissance – The Nutcracker 2026

Dear Friends of the Arts,

For many years, Estes Park has been a community that understands the quiet strength of the arts—how music, movement, and tradition help young people grow with confidence, discipline, and joy. As we prepare for our 2026 production of *The Nutcracker*, we are reminded of how deeply this performance has touched families across generations. It is a tradition that brings our valley together, year after year.

At Ballet Renaissance, our work has always been rooted in something simple and steady: bringing children a safe, structured, and encouraging place to learn. With the community's help, students discover the beauty of classical ballet while building skills that last a lifetime—focus, courage, patience, and a belief in themselves.

This year, we are inviting local businesses, families, and long-time residents to join us as Fundraising Sponsors for *The Nutcracker*. Your support—whether large or modest—helps ensure that our dancers have the resources, training, and performance opportunities that keep this cherished tradition alive.

Each sponsorship level has been carefully designed so you know exactly how your contribution will help and how you will be recognized. From logo placement on our materials to acknowledgments before and after the performance, we want every sponsor to feel seen and appreciated. Your involvement becomes part of the story we are building with these young artists.

More importantly, your gift creates continuity. It strengthens a cultural foundation that future generations of Estes Park children will stand on—just as so many before them have. For many donors, supporting *The Nutcracker* becomes a way of passing something meaningful forward, ensuring that the arts remain a vibrant and dependable part of life in our mountain community.

Thank you for considering sponsorship for the 2026 season. Your support, at any level, makes a real and lasting difference. Together, we can help preserve a tradition that brings light, music, and joy to our community each winter.

With sincere gratitude,

Ballet Renaissance

Inspiring the next generation through the arts
